おススメ TOURIST SPOTS 観光スポット

1 Tokaikan
An old style architecture built in 1928. This was a ryokan before. You can see inside, or take onsen with fee!

6 Ito Marine Town
There are various restaurants and shops and free foot spa. You can take onsen at Seaside Spa with fee.

7 Anjin Memorial Park
The place where Western style sailboats were built for the first time in Japan by Anjin Miura, whose English name was William Adamus.

8 Nagisa Park
Kenji Shigeoka is a famous Ito sculptor. These sculptures stand for peace and a good life ♡♡

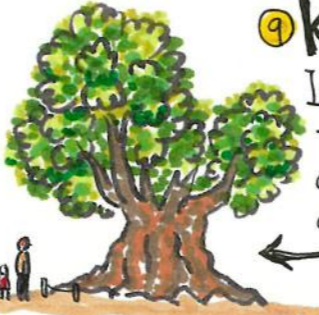

2 Matsukawa Recreational Trail Cherry Trees
The Matsu River flows through the center of Ito. Enjoy a 1.5km trail with wonderful scenery and cherry trees.

3 Kinoshita Mokutaro Museum
It is the birthplace of Mokutaro who was a medical scientist and a literati painter. It's also the oldest Japanese style house in existence in Ito.

9 Kuzumi Shrine
It has a famous Giant Camphor tree which is over 1000 years old and has been designated as a natural monument.

4 Saiseiji Temple
This temple was built in 1200 AD. In front of the temple, there is a king sago palm which is over 600 years old.

10 Otonashi Shrine
People come to pray for marriage and smooth delivery of child. For easy childbirth, the custom to devote a ladle without bottom still remain. On Nov 10th, "Shiritsumi Matsuri" is a very unique festival!

5 Butsugenji Temple
A buddist priest called Nichiren started the temple. This temple keeps a letter which is said that is from "tengu", Japanese monster!!
